

49TH ANNUAL UC OPEN TAEKWONDO CHAMPIONSHIP

AMENDMENTS/EXCEPTIONS TO WT/USAT RULES

The current WT/USAT Kyorugi rules will be implemented:

Scoring Areas

- The blue or red colored area of the **trunk** protector.
- The entire **head** above the bottom line of the head protector.

Criteria for valid point(s):

- Point(s) will be awarded when a permitted technique is delivered to the trunk or head scoring areas with a proper level of impact. The validity of a technique (excluding fist techniques), level of impact, and/or valid contact to a scoring area will be determined by the electronic scoring system. Furthermore, these PSS determinations will not be subject to Instant Video Replay.
- The WT Technical Committee shall determine the required level of impact and sensitivity of the PSS, using different scales in consideration of weight category, gender, and age groups. Under certain circumstances – as deemed necessary – the Technical Delegate may recalibrate the valid level of impact.

Valid points are as follows:

- One (1) point for a valid punch to the trunk protector
- Two (2) points for a valid kick to the trunk protector
- Four (4) points for a valid turning kick to the trunk protector
- Three (3) points for a valid kick to the head
- Five (5) points for a valid turning kick to the head
- One (1) point awarded for every one “Gam-jeom” given to the opponent contestant

When a contestant records points following prohibited act(s), the referee shall declare a penalty for the prohibited act and the invalidation of the point(s). Final match score will be the sum of points from the three rounds.

UCMAP History

A prominent feature of the University of California, Berkeley the UC Martial Arts Program is an expanding, dynamic organization dedicated to providing outstanding martial arts instruction to the campus community. Under the guidance of dedicated instructors such as Dr. Henry Stone, who introduced Judo to UC Berkeley in the 1930s, and Dr. Kyung Ho (Ken) Min, the founder and technical director emeritus of the present martial arts program, UCMAP has grown into a world-renowned organization. The current director is Dr. Russell Ahn, a P.E. faculty member and the head coach of the Cal Taekwondo team.

The UC Open Taekwondo Championship was one of the first events created by UCMAP and is now celebrating its 49th anniversary. UC Open began as a small competition during which Berkeley Taekwondo students could demonstrate and apply skills they had learned in a stressful yet controlled class environment. It was the first tournament in the United States to implement World Taekwondo rules and regulations after the WT's founding in 1973. From that point onward, UC Open has blossomed into a grand affair, attracting competitors of all ages from across the nation. We welcome you to participate in UC Open 2018 and hope all the coaches, referees, parents, competitors, and spectators have an enjoyable experience!

Sincerely,

Dr. Russell Ahn
